hello- Eric,

Title: "The Man Who does not Clap His Hands"

I placed the photocopy of the Japanese short novel, "The Man Who does not Clap His Hands."

"The Man Who does not Clap His Hands" was written by Seikichi Fujimori in 1927. It is one of the works during Japanese proletarian literature movement and it went out of print now.

タイトル：拍手しない男

短編小説「拍手しない男」のコピーを何部か印刷し展示した。  
「拍手しない男」は1927年藤森成吉により書かれた、日本のプロレタリア文学の傑作の一つである。今はでは絶版となっている。
